## A REAL HEROINE IN LIFE

*What greater thing is there for two human souls, than to feel that they are joined for life-to-*

*strength each other in all labor to rest on each other in all sorrow, to minister to each other in silent unspeakable memories at the moment of the last parting?"*

*A hundred hearts would be too few to carry all my love for you."*

*You will find, as you look back upon your life, that the moments when you have truly lived are the moments when you have done things in the spirit of love.*
